

Ride On (For Students Who Have Completed Beginner Riding II)

This class is for intermediate students who have taken **Beginning Horsemanship** and **Beginner Riding I and II** who now want to progress their horseback riding skills by taking regular, ongoing lessons. Ride On classes help students build confidence and ability. Students will practice English or western higher-level movements and gaits. Safety is a first priority. Students must wear hard-soled shoes, long pants, and a riding helmet. Four to five students will be accepted in each class.

- **Students must be previously authorized by a Sunset Trails instructor to progress to Ride On. Students must be able to groom and lead safely, saddle independently or with minimal assistance, walk, trot, post, stop, maneuver circles and other basic patterns, maintain a controlled position on the rail, and observe safe arena etiquette at all times.**
- **We attempt to place each student with the best horse for his/her experience and skill level; you may ride different lesson horses. Please respect your instructor's discretion when you are assigned a lesson horse.**
- **Participants must make a monthly commitment and pay at the first lesson each month.**
- **We will not offer make up classes or give refunds for missed classes, but we will do our best to reschedule a student to another Ride On time within the week if a student must miss due to illness or other major conflict. We must have advance notice of absence.**
- **Please plan to arrive on time each week. If you are more than 15 minutes late for a lesson, you are welcome to watch but will not be able to ride.**

Monthly fee of **\$189** is due at the first lesson each month.
